Summary

I am an analytical and result driven individual with great team spirit, communication and organizational skills. My career objective is to add value to my employer through the use of my skills and knowledge in my chosen field while learning and growing as an individual. In this process, I believe it can be beneficial for both myself and my employer; hence I endeavor to work diligently until I reach the highest level of performance. The ultimate goal is to achieve success wherever I find myself. If I do not possess the right attitude in me, I will learn.

Experience

Head of Content & Marketing

Peths Digital • Remote, Lagos
08/2020 - 01/2021

I succeeded in improving sales for the company through the careful curation of contents, application of my skills in content marketing, SEO and strategy design to propel the company towards its goals and improved its monthly profits by over 50%.

Content Creation Mentor

Engineering Career Expo • Akoka, Lagos
05/2020 - 06/2020

I volunteered to mentor a set of promising youths in content writing and marketing. The skills picked up by these students during the mentorship are now being used by them in their career and are experiencing rapid career growths.
